Yes that address and to Jeff will be fine. I wish I would have had more time to learn from Dot. This PM and EE items are way more in depth than lead!

Hi Josh,

Should I send the hard copy to Jeff at the address on the letter? Sorry to hear Dot retired I am happy I was able to learn from her before. Congrats with the new duties.

Thank you,

Hi Armando,

You can go ahead and mail in the hard copy for record keeping. Also you can remove Dot from any further notifications since she officially retired earlier this month. I have officially taken over for her. Thank you for the initial notification.

Josh

Hello Dot,

We have the 2018 Exceptional Events Notification Letter ready to initiate the process. Should I mail in a hard copy or will this e-mail suffice for submittal?

Thank you,
